THE LONG ISLAND RUNNING COMPANIES PREDICTION RUN AND TURKEY DRIVE CHALLENGE

BENEFITING:

Help your local independently owned running stores alleviate Long Island hunger this holiday season. Runners Edge and Sayville and Smithtown Running Companies are teaming up with Island Harvest Food Bank for a fun run and turkey drive. Please make a turkey donation and join us for a four (4) mile Prediction Run, on the trails of Babylon, where you can win by guessing your finish time most accurately, not by running the fastest. Awards to the top ten predictors.

WHEN: Saturday, November 21, 2015. 3pm Check-in.

WHERE: Check-in at the Babylon American Legion, 22 Grove Place, Babylon, New York 11702. Then it's a short walk to the start of the Prediction Run at Southards Pond trail, beginning by the tennis courts on the north side of Park Avenue in the Babylon Village (just north of the train station). Join us for post run refreshments back at the American Legion.

COST: Free to all runners and walkers who bring a frozen turkey. If you can't bring food, a monetary donation is requested (minimum \$20). FREE PINT OF CRAFT BEER AND HOAGIES TO ALL DONORS!

DONATION DETAILS: We'll have a truck on hand at the American Legion to collect frozen turkeys for Island Harvest Food Bank. THE CHALLENGE IS TO FILL THAT TRUCK!
